### Tatiana Phelan

Watercolor Artist

**Tatiana Phelan** is a watercolor artist from Bogota, Colombia. Her father is an experienced artist, and ever since her childhood she learned to love art and to use it as a soothing, healing therapy where she can express her emotions and interpretation of the world.

Tatiana enjoys making tender and colorful greeting cards, Still Lifes, Nursery art and floral compositions, as well as personalized gifts. Through her trajectory as a watercolor artist she has discovered a delicate yet joyful Fairy Tale color palette represents her style and it brings magic and charm to her compositions.
